Welcome to Ballet Camp

Students of ballet are part of a long artistic tradition. Dancers must understand much more about their bodies, the history, and accompanying art forms than it is possible to learn in the short times allotted for class during the school year. For this reason the Lauridsen Ballet Centre has formed its ballet camp program which:

1. enriches a dancer's knowledge
2. provides intensive training during the time of year when the student has the most time and energy, and;
3. facilitates the transition between one level of ballet training and the next.

For these reasons, students who plan to go beyond the most beginning stages of ballet are strongly encouraged to participate in the most challenging and rewarding part of our year. Lauridsen Ballet Centre's Summer Day Camp is now in its 24th year.
