## Appropriate Class Attire & Information

- Outfit for girls: Black Leotard, **full-footed** pink tights and pink ballet shoes. “Split-sole” shoes preferred. Hair should be in a bun with no bangs. No skirts or legwarmers permitted in class.
- Outfit for boys: White T-shirt, black shorts, black sweats or black tights, black ballet shoes.
- Upon enrollment, students are placed into an approved level.
- Students may be evaluated for possible promotion to Ballet Level II at 8 years. However, students are promoted **ONLY** when body strength has matured. Students generally remain in a particular level for 2-3 years. Older students often promote more quickly than younger students.
- Levels are mixed. Higher levels take lower levels to maintain proper technique and muscle memory.
- Lauridsen Ballet Center does everything possible to prevent injuries. However, ballet is an athletic activity and injuries can occur.
- Students are encouraged to conference each year with the Artistic Director to discuss progress. We are happy to schedule an appointment.
