Summer Program 2012

GUIDELINES

Welcome to Lauridsen Ballet Centre's Summer Ballet Intensive

Students of ballet are part of a long artistic tradition. Dancers must understand much more about their bodies, ballet history, and accompanying art forms than it is possible to learn in the short times allotted for class during the school year. For this reason the Lauridsen Ballet Centre has formed its ballet camp program which:

- **enriches a dancer's knowledge**
- **provides intensive training during the time of year when the student has the most time and energy, and;**
- **facilitates the transition between one level of ballet training and the next.**
-

For these reasons, students who plan to go beyond the most beginning stages of ballet are strongly encouraged to participate in the most challenging and rewarding part of our year.

Enrollment is on a first-come, first served basis. There are NO Refunds for any reason.

- **\$50 NON-refundable** deposit for Lauridsen Ballet Centre students is required to hold a place.
- 20% savings for a second or third member of the family taking the intensive.
- 20% savings for the second camp taken for those approved for promotion.
- There is a 20% savings for students taking regular classes in July for level II, and August for level III-V.
- Dancers who are approved for promotion take **both** levels of camp.
- Dancers must attend the entire camp session to be eligible to participate in the performance.
- There is a **\$50 registration fee for Non-Lauridsen Ballet Centre** participants in addition to the tuition.
- Out-of-town students please send DVD/video for class placement. Email southbayballet@yahoo.com for details.
- Housing may be available for out of town students. \$300 per week. Email southbayballet@yahoo.com for details.
